Re: Your letter of October 30, 2008

Dear Mr. Johnson:

Enclosed please find a Commission directive concerning your letter of October 30, 2008, which is largely self-explanatory. As can be seen from that directive, the Commission was under the impression that it had already granted the relief you seek in Order No. 2007-42. Please clarify your position in this matter as soon as possible.

Thank you for your consideration in this matter.

Sincerely,

F. David Butler
Senior Counsel

DATE January 07, 2009DOCKET NO. 2008-410-C ✓

ORDER NO. _____

SUBJECT:

DOCKET NO. 2008-410-C - Application of PNG Telecommunications, Incorporated d/b/a PowerNet Global Communications for Alternative Regulatory Treatment - Return Date Has Expired with No Intervention. Discuss this Matter with the Commission.

COMMISSION ACTION:

Order No. 2007-42 granted alternative treatment to PNG Communications, Inc. d/b/a PowerNet Global Communications' intrastate interexchange business telecommunications services. If PowerNet Global Communications is seeking alternative treatment of other telecommunications services, it needs to specify the other services for which it seeks alternative treatment. Therefore, I move the Commission request PowerNet Global Communications to clarify if it is seeking alternative treatment for telecommunications services other than those granted in Order No. 2007-42, and if so, to specify the other telecommunications services for which it seeks alternative treatment.
